REACHING A PEAK...

Our partner ministry in Ecuador has reached a peak in the number of radio stations airing any of five radio programmes – 600 radio stations in 23 countries.

- They have received 63,841 responses from listeners.
- An average of 60 people per month have received Jesus as Lord as a result of the radio broadcasts.
- Around 1,500 people visit their five web sites every day.
- Approximately 230 Bible questions are asked and answered by the team each month.
- Bible Conferences were organised in Ecuador (Derek Stringer was involved). An estimated 10,000 people attended and 230 people trusted the Lord as Saviour.
- There have been twenty presentations of the children's show reaching audiences of at least 8,000 children.
- 8,000 daily devotional books have been sold so far in 2009.
- Several other ministries from Ecuador and overseas have been helped in reaching their goals in Latin America.

"We are praising the Lord for His strength to accomplish all this, despite the difficult economic situation" **DAVID LOGACHO (Ecuador Director)** ■■

DEREK STRINGER WRITES

This is just a note to say a big 'THANK YOU' for your support of the ministry. We are so grateful to our Lord for all that He has done.

There has been a huge take up of our programmes in Africa as well strategic opportunities elsewhere. The response to the broadcasts has been overwhelmingly positive.

We produce Bible based radio programmes ranging from one to forty-five minutes listened to in sixty countries. We are working on new ways of using media to communicate the changeless message of Christ.

Life changing broadcasts are taking the powerful message of the Gospel to places only radio can go. However, our outreach is not restricted to media alone. There are many opportunities to preach and teach internationally as well as writing books.

- Please pray with us as we now need to seek prayerfully to add to the team, helping us make a greater impact for the gospel.
- Are you booked in for our Bible Teaching Conference? It will be wonderful to welcome you. Stephen Thompson, pastor of King's Church, Boston Spa and 'chair' of GNBA, is a much appreciated part of the preaching team. We are saddened that after a short illness Stephen's wife, Ruth, died in June. She is with her Lord whom she loved and served. However, she leaves a great gap in the life of Stephen, daughter Christel, the family and church. Please pray for them.
- Do you have an email address? We can send you brief news items a couple of times each month. A transcript of a sermon is included with the opportunity to get transcripts of many radio programmes to use as a resource. 
- May we send you extra copies of *Sounding Out* to distribute and widen the awareness of what GNBA is doing?
- If you are not a Ministry Partner, please will you consider becoming one?

We do so appreciate your interest and encouragement. We hope that you will continue to support GNBA. Thank you and God bless as we partner with Christ.

DR. DEREK STRINGER is the radio 'voice' for GNBA. Each week he is heard on two 30-minute broadcasts. *Word Alive* is a popular Bible teaching programme. *Finding The Plot* is magazine style, giving reasons for our hope in Christ. Derek also contributes to a ten minute daily broadcast. There is a wide international take up of *Bible Focus*. The programme format is changing to make it more media friendly. In addition, he creates 'minute' messages and accepts invitations to speak at Church services and conferences. ■■ 

NEWS CUT FROM AFRICA . . .

A continent suffering from political instabilities, poverty and the killer disease HIV/AIDS -- we need the message of hope through Christ. God has been using the GNBA radio programmes.

Our programmes continue to be requested by radio stations in Africa. Recently God has opened doors to two more stations in Southern Uganda. We are 'on air' in Ghana, Zambia, South Africa, Tanzania, Uganda, Rwanda, Liberia, Sierra Leone, Cameroon, Togo and Malawi.

A letter from Radio Khwezi in the KwaZulu-Natal Province of South Africa.

The programmes continue to be greatly appreciated. I've received a lot of comments from listeners telling me how much the programmes of Derek Stringer mean to them. They appreciate how "Bible based" they are and how practically they are applied to their situations. Please do pass this on to the folks producing the programmes. They are indeed listened to and taken to heart. I'd be delighted to continue receiving your programmes. They are so useful to me and I love playing them. Thank you for all your efforts. Kind regards, Jerusha

Joseph and the HCJB Ghana team

Many people across Africa appreciate the Bible Teaching of GNBA by Dr. Derek Stringer.

We pray that God will keep opening doors for His Word to be heard on many more stations in Africa. We are happy that radio stations want the programmes and air them without any payment for airtime despite difficult financial situations. We appeal to you to continue supporting this ministry on the airwaves across Africa with the gospel of Christ. Why not take a moment and be the hand and voice of Christ by supporting the work of this ministry in Africa? Blessings, **Joseph H. Kebbie**
